## ACADEMIC PROJECTS

- Market Share & Brand Strategy – Gucci** 2023
- Researched how Gucci operates, acquires, and expands — analysing its brand architecture, market share trajectory, acquisition strategy, and global expansion approach across key markets.
  - Built Tableau and Excel dashboards tracking comparable revenue, segment performance, and competitive positioning, producing a structured research memo with strategic insights on Gucci's growth model.
- Digital Presence & Footprint Study – Shree Epsilon Threads Pvt. Ltd.** 2025
- Analysed how Shree Epsilon Threads implemented and grew their digital presence — covering their website, social media channels, e-commerce integration, and online brand visibility across platforms.
  - Evaluated their digital footprint strategy, identifying gaps and opportunities in platform engagement, content consistency, and audience reach, and presented actionable recommendations to improve their online marketing effectiveness.
- Comprehensive Investment Analysis – J.P. Morgan Chase & Co.** 2025
- Conducted structured research and produced an executive-level presentation, demonstrating strong written communication, data synthesis, and the ability to deliver clear, audience-appropriate content under assessment conditions.

## ADDITIONAL

- Active follower of social media trends in financial services; regularly observes how global asset managers and investment firms communicate across LinkedIn, X, and Instagram to retail and institutional audiences.
- Available immediately for full-time apprentice roles in Bengaluru; open to social media, digital marketing, content, and campaign operations roles.
